Their major concern is how the overabundance of manure and urine will affect the neighboring area and their drinking water. Although the Board cannot help them directly, they were able to suggest names and organizations that may be able to help with the situation.

Clayton Kappauf presented to the Board maintenance issues that need to be taken care of to get the pool up and running with an expense of \$628.00 to do so. Supervisor Davis presented to the Board to Amend the 2024 budget and move \$3,300.00 from the Appropriation Account DB9060.8, Hospital and Medical, to the Appropriation Account DB9750.7, Debt Service Interest. A motion was moved by Ron Charles and seconded by John Hofmann; all approved.

Highway Superintendents Report:

Superintendent William Pinney asked the Board when funds will be available for items that have already been approved. What is available for the Highway Department as a budget and how much should they expect to spend this year? The Highway would need the money for fixing potholes, tree removal, general maintenance for the roads and equipment.

Supervisor Davis presented to the Board the option of getting bids on gravel, stone, etc., and what are the consequences of taking bids. A discussion was had as to what are the options and whether it is worth collecting bids for certain inputs. The Board decided it was best to continue getting phone quotes and putting out formal bids depending on the input or job at the time.
